What's Inside?

American History For Kids Children Explore History Edition is packed with information about American history, from the early days of exploration to the present day. The book is divided into seven chapters, each of which covers a different period of American history:

- Chapter 1: The First Americans

- Chapter 2: European Exploration and Colonization
- Chapter 3: The American Revolution
- Chapter 4: The Early Republic
- Chapter 5: The Civil War
- Chapter 6: The Industrial Revolution and the Gilded Age
- Chapter 7: The 20th Century and Beyond

Each chapter is full of fascinating facts, stories, and activities that will keep kids engaged and learning. For example, in Chapter 1, kids will learn about the different Native American tribes that lived in North America before the arrival of Europeans. They will also learn about the early European explorers, such as Christopher Columbus and John Cabot.

In Chapter 2, kids will learn about the different European colonies that were established in North America. They will also learn about the causes of the American Revolution. In Chapter 3, kids will learn about the key events of the American Revolution, including the Declaration of Independence and the Battle of Yorktown.

In Chapter 4, kids will learn about the early years of the United States. They will also learn about the different challenges that the new nation faced, such as the War of 1812 and the Mexican-American War.

In Chapter 5, kids will learn about the causes and consequences of the Civil War. They will also learn about the key battles of the war, such as the Battle of Gettysburg and the Battle of Vicksburg.

In Chapter 6, kids will learn about the Industrial Revolution and the Gilded Age. They will also learn about the different inventions and innovations that were made during this time period, such as the telephone, the electric light bulb, and the automobile.

In Chapter 7, kids will learn about the 20th century and beyond. They will learn about the different wars that the United States fought in, such as World War I and World War II. They will also learn about the different social and cultural changes that occurred during this time period, such as the Civil Rights Movement and the women's rights movement.
