2. Thread your needle with two strands of floss.
3. Refer to the pattern to determine the color of floss to use for each stitch.
4. Make a cross stitch by bringing the needle up from the back of the fabric at the bottom left corner of the square, and then down through

the fabric at the top right corner. Bring the needle back up through the fabric at the bottom right corner, and then down through the fabric at the top left corner. Your stitch should look like an X.
