A Troubled Past

Remi's life has been far from easy. She grew up in a poor neighborhood, and her parents were often absent. As a result, she had to learn to fend for herself at a young age. She got into fights, skipped school, and even ran away from home for a while.

To her surprise, she was able to easily defeat the bullies. It was then that she realized she had superhuman strength, speed, and agility.

Remi was initially scared of her powers. She didn't know what to do with them or how to control them. But with the help of a wise old mentor, she learned to harness her powers for good.
