

# Managing Resources and Opportunities: The World Association for Sport Management

The World Association for Sport Management (WASM) is the leading global organization for sport management professionals. WASM provides a forum for the exchange of ideas and best practices, and offers a variety of resources and opportunities to help sport management professionals advance their careers.

One of the most important resources that WASM offers its members is a network of professionals who are working in all aspects of the sport industry. This network can be invaluable for finding jobs, getting advice, and learning about new trends in the industry.
