- **Intonation:** Adjusting the length of the guitar strings so that they play in tune at every fret.
- **Action:** Adjusting the height of the strings above the fretboard so that they are easy to press and play.
- **Truss rod adjustment:** Adjusting the tension of the truss rod to correct any neck bow or bend.
- **Fret leveling:** Leveling the frets so that they are all the same height, which eliminates buzzing and makes for a smooth playing surface.

- **Fret crowning:** Rounding the tops of the frets to make them more comfortable to play.

At Reloved Guitars, our experienced technicians take the time to carefully setup your guitar to your exact specifications. We use only the highest quality parts and materials, and we guarantee our work for 100% satisfaction.

Here are just a few of the benefits of getting a guitar setup from Reloved Guitars:

- **Improved playability:** A properly setup guitar will be easier to play, with less buzzing and fretting out.
- **Increased comfort:** A guitar with a comfortable action and fretboard will be more enjoyable to play for long periods of time.
- **Enhanced tone:** A guitar with a proper setup will produce a richer, more resonant tone.
- **Longer lifespan:** A well-maintained guitar will last longer and require less maintenance.

If you are serious about improving your guitar playing, then a guitar setup from Reloved Guitars is the perfect solution. Our team of experts will take your guitar to the next level, giving you the ultimate playing experience.
