Looking for a hilarious and heartwarming summer read? Look no further than "The Summer of the S'mores." This laugh-out-loud novel is perfect for fans of "Bridget Jones's Diary" and "The Rosie Project."

In "The Summer of the S'mores," we follow the misadventures of Lucy, a thirty-something woman who is trying to find her way in life. She's just been dumped by her boyfriend, she's lost her job, and she's feeling like a complete failure. But when she inherits a cottage in a small town in Maine, she decides to take a break from her life and spend the summer there.

Lucy quickly learns that small town life is not all it's cracked up to be. The locals are quirky, the pace of life is slow, and there's not much to do. But Lucy is determined to make the best of it. She befriends the local librarian,

who is a bit of a know-it-all, and she starts volunteering at the local soup kitchen. She even starts dating a local farmer, who is handsome but a bit of a grump.

As Lucy spends more time in the small town, she begins to realize that there's more to life than just her career and her relationship status. She learns the importance of community, friendship, and following her dreams. And she just might find love in the most unexpected place.

"The Summer of the S'mores" is a laugh-out-loud funny novel that will also warm your heart. It's the perfect summer read for anyone who is looking for a good laugh and a feel-good story.

Here are a few things that readers are saying about "The Summer of the S'mores":
