The story of Shani traces back to the ancient rivalry between Lord Shiva and Lord Vishnu. When Shiva decapitated Brahma's fifth head, causing him to commit the sin of Brahmahatya (killing a Brahmin), the severed head adhered to Shiva's hand. To rid himself of the curse associated with Brahmahatya, Shiva performs rigorous penance, during which Shani is born from Shiva's sweat.

The Six Horse Carriage: Shani's Unique Ride

Shani is unique among the planetary deities as he rides a chariot drawn by six black horses. These horses represent the various aspects of Shani's influence and the different ways in which he can impact human lives.

The six horses are named:

- **Mand** (Slowness): Represents the slow and often imperceptible nature of Shani's influence.
- **Pingal** (Yellow): Symbolizes wealth, prosperity, and material success.
- **Vishti** (Horror): Embodies fear, illness, and misfortune.
- **Vajra** (Thunderbolt): Represents power, authority, and determination.
- **Khalank** (Silence): Denotes secrecy, isolation, and loneliness.
- **Maheswar** (Shiva): Associated with Lord Shiva, signifies death, destruction, and transformation.
