# Traditional and Playful Poetry

The fruit section in a grocery store is full of wonderful choices. There are big red apples and small purple plums; plump green grapes and bright yellow bananas. There are little furry kiwifruit and giant striped watermelons. It's fun to try different fruits ... even furry ones!

## Taste the Difference!

It's also fun to try different forms of poetry. This chapter talks about both **traditional** and **playful** forms. You'll learn about limericks and haiku poems, silly poems and shape poems. Fruit is good for you: it helps build strong bodies. Poetry is good for you, too; it helps build strong hearts and minds.
